

Multiplication Squares

Instructions: Using a pencil and a paperclip, spin the spinner twice to find your numbers. Multiply the numbers together and find the product on the grid below. Connect two dots to form a line around that number. The line that completes the square wins that space.

1	3	5	90	28	45	56	48	84	35	64
18	96	27	80	10	32	7	121	20	144	24
40	6	24	12	108	48	72	50	100	99	110
8	54	11	5	24	40	12	90	8	55	99
44	110	10	6	35	6	81	8	60	36	16
9	30	12	40	36	56	30	60	2	21	80
27	72	42	18	70	7	8	9	120	84	108
48	20	22	24	36	72	64	25	21	10	49
18	16	36	12	24	24	14	120	60	48	72
2	33	20	96	33	132	12	36	22	64	88
63	40	10	30	12	72	20	18	28	18	77
12	15	44	30	36	16	4	24	45	66	36
66	54	63	55	88	40	70	14	50	56	96
